Dear Dr. Manish Kumar Bajpai,

Thank you for joining ACM. I am writing today to let you know that ACM has additional services that may be of interest to you.

Based on your ACM Technical Interest Profile, it appears you may find membership in the following SIG(s) to be of particular value:

1. SIGADA, ACM Special Interest Group on Ada Programming Language. SIGAda provides a forum on all aspects of the Ada language and technologies, including usage, education, standardization, design methods, and compiler implementation. http://www.acm.org/sigada/

2. SIGACT, ACM Special Interest Group on Algorithms and Computation Theory. SIGACT fosters and promotes the discovery and dissemination of high quality research in the domain of theoretical computer science. http://sigact.acm.org/
